

Town Decals for Residents

All residents are required to have decals for each of their vehicles. The annual fee is \$25.00.

The license year for motor vehicle licenses shall begin on November 16 and shall expire on the following November 15 in each year. Decals go on sale in October of each year and can be purchased throughout the year for new residents.

Please bring your current car registration and current driver's license when you come to purchase Quantico Town decals. If you are a new town resident, please bring a copy of your lease.

A Town decal allows you to park on residential streets and you are also allowed two-hour free parking on a parking meter daily.
