

# Parking Map

The Town of Quantico has metered parking, marked green on the map.

You must pay the parking meter Monday-Saturday, from 9AM-5PM.

Meters take \$0.25 per half hour. Long term parking meters are available in the Municipal Lot located next to the Town Office at 337 5th Avenue.

Parking meters only take case quarters. If you put dimes, nickels or pennies in the meters you will not get any time on the meters. A ticket for an expired meter is \$35.00 and after 15 days has passed from the original date written on the ticket, a late fee of \$35.00 is also due when ticket is being paid.
